### II. Statement of Faith

River City Hope Street is an interdenominational Christian organization. While the services we provide are available to people regardless of their faith or background, in order to maintain the Christian context noted in our mission statement we ask that volunteers understand and assent to the beliefs expressed below:

We believe that there is one God eternally existing in three persons: the Father, the Son and the Holy Spirit.

1. We believe that the Bible is God's complete written revelation to mankind and that it is divinely inspired, authoritative, and without error in the original manuscripts.
2. We believe in the deity of Jesus Christ, His virgin birth, sinless life, miracles, death on the cross to provide for our redemption, bodily resurrection and ascension into heaven, present ministry of intercession for us and His future return to earth in power and glory.
3. We believe that man was created in the image of God, but because of sin was alienated from God. That alienation can be removed only by accepting through faith alone God's gift of salvation, which was made possible by Christ's death.
4. We believe that Jesus Christ came seeking to save each person so that He could give them abundant and eternal life.
5. We believe in the personality and deity of the Holy Spirit, that He performs the miracle of new birth in an unbeliever and indwells believers, enabling them to live a godly life.
6. We believe that we find the way, the truth, and abundant eternal life in a personal relationship with Jesus Christ as His Holy Spirit indwells us and then leads and empowers us each day.
7. We believe God has ordained the family as the foundational institution of human society. It is composed of persons related to one another by marriage, blood, or adoption. We believe marriage is the uniting of one man and one woman in covenant commitment for a lifetime. It is God's unique gift to reveal the union between Christ and His church, and to provide for the man and woman in marriage the framework for intimate companionship, the channel for sexual expression according to biblical standards, and the means for procreation of the human race.

I, \_\_\_\_\_, understand and assent to the beliefs expressed in the above Statement of Faith.
